

SCARD has a help line that operates 9am to 9pm - 365 days a year.

SCARD help line provides support both emotional and practical for all people affected by Road Death and Injury.

SCARD help liners know and have experienced the trauma of losing loved ones and friends on the road.

SCARD will provide you with independent and informative information on the judicial system.

SCARD has qualified Counsellors who give their time freely.

SCARD may be able to arrange for someone to go with you to an Inquest, Magistrates and Crown Court if you wish.

SCARD can arrange for you to speak with a qualified Solicitor, free of charge for initial independent advice and support.

SCARD also provides emotional support through group meetings and a personal supporting system via the telephone on Internet

SCARD can provide information on all aspects of Road Safety and will continue to raise awareness on all Road Safety matters.

Ring us for more details:

Office on 0845 1235541/43

Ask to speak to Carole, Sue or Peter

(All Scard and Cadd telephone numbers are local cost charge no matter where you live in the United Kingdom)

Concerned individuals originally started our support system in 1993. They felt there was little in the way of support offered to the victims of road death and injury at that time. That original support system received the name SCARD in July 1998 and became a Registered Charity just 12 months later.

SCARD is funded by donations only and we welcome any fundraising efforts done by individuals or organisations.

SCARD is always looking for volunteers. If you feel that you can help at all, please don't hesitate to contact us at the address or telephone number below

SCARD and CADD Impact Workshops

We work with **Schools (years 7 through to 11) 6th form Colleges, Youth Clubs, After School Clubs, School Projects, Pupil Referral Units, Secure Units, N.A.C.R.O. and with Youth Offending teams** all over the Country. We also work with the **Prison Service and the Armed Forces**. We also deliver workshops to **individuals who may have been convicted of driving offences**.

The 'Impact' workshops consist of:-

Introduction and caution if needed of the emotional content.

View the SCARD DVD "Scarred for Life" and/or appropriate Power Point presentation.

Comments/ observation and feedback.

Followed by:-

Personal story from a VICTIM talking of the effects that a death/or injury can have on an individual, families and communities.

Questions/Feedback/comments/observations and the opportunity to look at sentencing policies and the unacceptability of road offences in general.

Resources needed:- Access to a Projector/Screen/ Computer. (These can be provided if previously arranged) Airy comfortable room with seating for all attending people.

Most workshops will consist of 20 to 30 people with at least one accompanying supervisor. At each workshop we will provide, if requested, copies of our "Safe Driver Promise" and evaluation forms.
(ask for more details)

There is no restriction on the number of attendees but the room must be suitable for the numbers attending.. Where a young audience is involved, thought should be given to which students attend.

Students with emotional/ behavioural or attention deficit problems may benefit from smaller workshops of between 6 to 12 attending students.

Please note the delivery time required for our school/ agency workshop is approximately 40/45 minutes, as students must be given the opportunity to "de-brief" on the information discussed. We consider it useful if the agency could be slightly flexible on timing. As we work within strict time limits, punctuality is vital from everyone. We respectfully request that workshops are not interrupted whilst in progress as it is important to maintain the flow and any disruption, for example, people coming in or going out, can be quite "off putting" for participants and also for victims who may be relating very emotional details and feelings. **Note: Timing for anti-drink/drug driving workshops will be agreed with the Agency at the time of booking as they need more time.**
